

SCNG COMREL

Exception to Policy – Request Date

Due to requesting South Carolina National Guard support for _____, I fully understand
 on _____ and submitting this request on _____, I fully understand
 that my request has a lower chance of being supported due to being less than 90 days from the event. Given
 the nature of South Carolina National Guard units maintaining at least a 90 day training schedule, the
 operational tempo of the South Carolina National Guard, and the required routine tasks and drills of South
 Carolina National Guard units, I understand that it can be more difficult to route assets and manpower to this
 request. With this understanding, I still wish to pursue this request and ask for support from the South
 Carolina National Guard for this event and need to know of available support no later than _____.
