

OPERATION S.C.A.N.

See it. Consider it. Ask it.
Navigate it.

Operation SCAN empowers our community to recognize the signs, consider the context, ask questions, and navigate next steps—together.

SPOT the signs and hidden paraphernalia

Be aware of indicators that something may be wrong. Trust your instincts.

CONSIDER the context and potential risks

Look at the situation holistically. Consider what might be happening and how it could affect others.

ASK questions in a safe, expert-led environment

Start a conversation. Connect with trusted professionals and get the facts.

NAVIGATE the next steps and learn how to start the conversation

Find the right resources, make a plan, and take meaningful action.

OUR PURPOSE

Operation SCAN is a community initiative designed to promote awareness, spark conversations, and connect individuals and families with resources and support.

WHY IT MATTERS

Early awareness and open dialogue can prevent small problems from becoming big ones. You don't have to be an expert—just someone who cares enough to take action.

WHO IT'S FOR

Parents, caregivers, educators, coaches, neighbors, and community members—anyone who wants to help keep our community safe, informed, and connected.

FIND THE RIGHT PATH

We'll help you navigate next steps, connect with trusted resources, and learn how to start the conversation.

STAY ALERT.
You may be the first to notice.

START THE CONVERSATION.
Asking questions can open doors.

FIND THE RIGHT PATH.
We'll help you navigate it.

TOGETHER, WE CAN.
A safer community starts with all of us.
