Overview

The P.A.C.E. Zone is a structured outreach platform designed to elevate the South Carolina Governor's Counterdrug Task Force (SC GCDTF), Drug Demand Reduction Outreach (DDRO) Team presence at community events, conferences, and coalition engagements.

More than a display, the P.A.C.E. Zone transforms booth space into an interactive prevention environment, aligning National Guard professionalism with strategic community engagement.

It ensures every event advances our mission to **Empower - Educate - Elevate**

Purpose

The P.A.C.E. Zone provides standardized framework that enhances how we present, connect, and deliver prevention messaging across South Carolina.

Its purpose is to:

- Strengthen community trust and visibility
- Deliver impactful, research-based prevention messaging.
- Increase meaningful engagement at public events
- Expand coalition and partner collaboration
- Create measurable outcomes

Conclusion

The P.A.C.E. Zone ensures that every community and conference event becomes an opportunity to advance prevention, deepen partnerships, and enhance the visibility of the South Carolina Governor's Counterdrug Task Force.

These are not just displays - it is strategic engagement platform designed to GUARD our communities through prevention leadership.
